# army lite

Taking visual cues from it's older brother Army, Army Lite has a compact footprint allowing for use in the tightest of spaces. A more formal seating position makes the range ideal for the workplace.

Hardwood and plywood frames with CME foam padding.

## diffuse workbox

embraces and promotes co-working, privacy & peace in your workplace.

Providing people with real choice about where they work within an office is an important element for today's workplace designers. Diffuse desk pods provide a place for quiet within open-plan and co-working spaces for more focused tasks, or when privacy and calm are required. Options include singular desk pods as well as multiple single desk configurations.

## diffuse workbox

works amazing when viewed from a mezzanine
